We are so excited to start another wonderful school year!!

In our 3 year old class we will be concentrating on routines and social emotional interactions with their peers. As the school year progresses, we will work on colors, shapes, singing the ABCs, counting and tracing their name.

September: numbers 1, 2, 3. Colors yellow, red, blue. Shapes circle, square, triangle.

In our 4 year classes, we will begin concentrating on routines and social emotional interactions with peers. As the school year progresses, we will work on writing their name, counting, recognizing numbers and the letters of the alphabet and letter sounds, along with many other skills to prepare them for kindergarten! 😊

September: focus on recognizing their name in print and beginning to write their own name with proper pencil grip.

1st Day of School:

Thursday, September 7th

Friday, September 8th

Just some notes:

1. Drop off and Pick up will be at our outside classroom door and is accessible through the gate of the playground.
2. We recommend you place a change of clothing in a plastic bag (with their name on it) to be placed in your child's cubby in case of spills or accidents.
3. **PLEASE keep your student home if they are acting or feeling unwell in any way.** Any individual exhibiting cold like symptoms **must** stay home.
4. Please refrain from sending toys, food or water bottles with your student. We will provide a snack and water during our class time.

Please look for detailed information in your Parent Handbook for our complete health policy that was emailed with your orientation.
