In the Classroom:

Wow! October went by so quickly! A new lesson we incorporated this year was using shapes to draw. We introduced how bigger objects can be drawn by using basic shapes. For example, a house can be a square with a triangle on top. A dog can be a sideways oval with lines for legs and another smaller oval for the head. Then add details.

Please encourage your child to draw freehand and to color in coloring books. This is great fine motor practice and prepares them for elementary school work. (In math they will draw to explain their answer and in writing they draw a picture to go with their story.) Be creative!!

In the 4-year-old classes we will be focusing on fine motor skills and pencil grip as we work with the students to write their name independently.

In the 3-year-old class we will focus on shape recognition and counting to 10.

Halloween was tons of fun! Thank you for your support. The students all enjoyed telling their classmates about their costumes!

Winter Weather School Closures

We will follow the Bend LaPine schools' decision regarding closures. If they close for the day, we will also be closed. If they are on a delayed start, our morning class will be canceled and the afternoon class will begin at the regular scheduled time. Please sign up for the LaPine Elementary closure notification to receive text notification of closures or delays.

Thank you to all our families participating in our parent teacher conferences. I enjoyed speaking with all of you! It was great to learn more about all the kiddos. :) ~Miss Laura

The next Rising Stars Preschool Board Meeting will be held on November 15th, at 6:00 pm. via Zoom for all attendees. If you would like to attend please email risingstarspreschool@hotmail.com to request a link for Zoom.

Happy Thanksgiving!!

For the Thanksgiving holiday we will be having a Mini thanksgiving Feast with each of the classes. The kids can dress up in their best fancy attire!

- 3 year old Feast will be on Thursday, November 16th.
- 4 year old PM Feast will be on Thursday, November 16th.
- 4 year old AM Feast will be on Friday, November 17th.

We are looking forward to having lots of fun in the coming holiday season doing holiday crafts and activities with the students!! ~ Laura, Halle & Deeane

Periodically throughout the school year our entire building participates in fire drills. Sometimes they are prearranged and other times they are a 'surprise.' This is great practice for the kids as they move on to kindergarten.
